is to be the weapon used. And through the instrumentality of this and the enterprise of the never-tiring hand of its principal, the work has been commenced and shall be carried on upon a magnificent scale, beyond peradventure to mistake. Having the requisite facilities at hand which are particularly desirable at the present day, to compete with an establishment like this, and so much needed by the man of BUSINESS, with every possible advantage to my command, not even a pebble to obstruct or to mar my course, I once more
Set The Ball In Motion,
and relying upon my past experience and present knowledge in the business and the good sense of a discerning public for my future well or woe. It will be my purpose this Fall to exhibit a large attractive and commanding stock of Goods, such as will suit the special wants of the trade, and to dispose of them in every instance in such a manner as will reflect credit upon myself.
And at Such Low Prices
As will attract attention, excite admiration and draw the public from every quarter to this noted establishment, to the
LONG BRICK STORE.
Which from its infancy has been under my special guardianship, and in part the object of my care. In conclusion the undersigned would beg to say that the magnitude of the stock and the assortment of goods now offered for inspection and sale at this establishment, is without a precedent and beyond a parallel in the annals of the
Retail Dry Goods Trade.

Before the close of the present season, I shall offer large invoices of desirable goods and intend and promise to have the prices in all cases a shade lower than any other establishment.
"Well, Mr. Jones," said neighbor Brown, "I'll start this very day for town, and get a pair of Boots for me, and also shoe my family."
So Bill you go and harness Doll, and straight to town w'll go, by golly, and stop in front of SMITH'S Store, Where the Boots hang o'er the door.
Bill always does what father tells. He harnessed Doll and put on Bells, and in they piled young ones and all, Crack went the whip and off went Doll.
Doll had been living on high feed, And started at her fastest speed, And took Brown and his family straight, To Paw Paw at two forty gait.
Whoa, Whoa, old Doll, Bill cried out when They got to Main Street, Number Ten. And out they jumped in front the door, of Poet Smith's Mammoth Store.
In they went with an awful swell, "Good morning, hope to find you well, said Brown as he and his young drove Advanced to warm them at the stove.
My neighbor Jones brought me the news How cheap you sold your Boots and Shoes, "O I resolved to come and buy "O you my winter's full supply.
To shoe the tribe, Smith began, Beginning first with the old man And then the young Brown's little feet. Were shod and fitted all complete.
The news soon spread the county round, That just the place at length was found Where men could save fifty per cent. On every dollar that they spent.
